

SPECIAL NEWSLETTER

WebParentTip, Vol 4, # 11A for second week in November

SPAM is deplorable. The time it takes me to “clear” my inbox is time I would much rather spend answering your parenting questions in a timely fashion.

A recent article in the New York Times advised readers that signing up for newsletters can increase your spam level because lists are sold to unscrupulous spammers.

WE DO NOT SELL YOUR EMAIL ADDRESS TO ANYONE!

WE DO NOT TELL ANYBODY YOU ARE A SUBSCRIBER!

WE DO NOT ACCEPT ADVERTISING ON THIS SITE.

This site, parentkidsright.com, has only one purpose: to help today’s busy parents do the best job they can in raising their children.

However, everybody has to make a living. Here is the only commercial you will get in any of my newsletters:
